Citadel Internship Program 2025 / 2026 New Hiring

Description

Are you looking to jumpstart your career in finance and technology? Citadel offers exciting and challenging internship opportunities for talented and motivated individuals who are eager to learn, grow, and make an impact. Our internship programs are designed to provide you with hands-on experience, mentorship from industry experts, and exposure to cutting-edge financial technologies. Join us, and you'll be part of a dynamic team that drives innovation and shapes the future of finance.

Responsibilities

1. Quantitative Research Internship:

- Location: Chicago, New York City, London, Hong Kong, or Shanghai
- Description: Work closely with our world-class quantitative research teams to develop and implement mathematical models and algorithms that drive our investment strategies.

2. Software Engineering Internship:

- Location: Chicago, New York City, or London
- Description: Collaborate with our talented software engineers to design, develop, and optimize the technology systems that power our trading and risk management platforms.

3. Data Science Internship:

- Location: Chicago, New York City, or London
- Description: Dive into our vast data sets and apply data science techniques to extract valuable insights and support decision-making across the firm.

4. Business Development Internship:

- Location: Chicago or New York City
- Description: Gain exposure to the world of finance by working alongside our business development and client relations teams, helping to identify and cultivate new opportunities.

Qualifications

- Pursuing a Bachelor's, Master's, or Ph.D. degree in a relevant field (varies by internship position).
- Strong analytical and problem-solving skills.
- Excellent communication and teamwork abilities.
- A passion for finance, technology, and innovation.

Job Benefits

- **Mentorship:** You will work closely with experienced professionals who are committed to helping you succeed.
- **Networking:** Connect with industry leaders, participate in workshops, and build a valuable network within the finance and technology sectors.
- **Learning:** Expand your knowledge through training sessions, seminars,
