City of Mississauga Internships 2025 New Application

Description

As an intern with the City of Mississauga, you will have the opportunity to work alongside experienced professionals in various departments, gaining exposure to the inner workings of local government. Interns will be assigned to specific projects or initiatives, allowing them to apply their academic knowledge to real-world scenarios and make tangible contributions to the community.

Responsibilities

- **Project Support:** Collaborate with departmental teams to support the planning, execution, and evaluation of key projects and initiatives.
- **Research and Analysis:** Conduct research on relevant topics, analyze data, and present findings to inform decision-making processes.
- **Community Engagement:** Assist in community outreach efforts, engaging with residents and stakeholders to gather feedback and ensure inclusivity in City projects.
- **Documentation and Reporting:** Prepare reports, presentations, and documentation to communicate project outcomes and recommendations.
- **Professional Development:** Attend training sessions, workshops, and networking events to enhance your skills and build a strong professional network within the municipal sector.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal abilities.
- Self-motivated and able to work both independently and as part of a team.
- Passion for community development and a commitment to public service.

Job Benefits

1. **Professional Development Opportunities:**
 - Access to training sessions, workshops, and seminars to enhance your skills and knowledge.
 - Mentorship programs providing guidance from experienced professionals in your field.
 - Exposure to diverse projects and responsibilities, fostering a well-rounded skill set.
2. **Networking:**
 - Opportunities to build connections with professionals in various departments of the City of Mississauga.
 - Participation in networking events and community engagement activities.
 - Inclusion in a supportive and collaborative work environment.
3. **Meaningful Projects:**
 - Involvement in projects that directly impact and contribute to the
