

CPP Internships 2025 – Canada Pension Plan Jobs

Description

Canada Pension Plan (CPP) is a cornerstone of Canada's retirement income system, providing retirement, disability, and survivor benefits to eligible Canadians and their families. As one of the largest pension plans in the world, CPP manages billions of dollars in assets to ensure the financial security of its beneficiaries.

The CPP Internship program offers talented individuals the opportunity to gain hands-on experience in various aspects of pension management and investment operations. Under the guidance of seasoned professionals, interns will contribute to meaningful projects, develop valuable skills, and gain insight into the complexities of managing a globally renowned pension fund.

Responsibilities

- Assist in conducting research and analysis to support investment decision-making processes.
- Participate in portfolio management activities, including asset allocation and risk assessment.
- Collaborate with team members to evaluate potential investment opportunities across different asset classes.
- Contribute to the development of financial models and performance reports.
- Assist in monitoring market trends, economic indicators, and regulatory developments affecting pension fund management.
- Support the implementation of strategic initiatives aimed at optimizing investment performance and managing risk.
- Engage in ad-hoc projects and initiatives as directed by supervisors.

Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in Finance, Economics, Business Administration, or a related field.
- Strong analytical skills and attention to detail.
- Proficiency in financial modeling and data analysis tools (e.g., Excel, Bloomberg).
- Excellent communication and interpersonal skills.
- Ability to work effectively both independently and as part of a team.
- Demonstrated interest in investment management and pension funds.
- Prior internship or relevant work experience is an asset but not required.

Job Benefits

- Gain practical experience in investment management within a prestigious pension fund.
- Work alongside industry professionals and experts in the field.
- Networking opportunities with peers and mentors.
- Exposure to diverse investment strategies and asset classes.
- Potential for career advancement within CPP or the broader financial industry.
