- Assist in analyzing data, conducting research, and generating reports to support decision-making processes.
- Participate in brainstorming sessions, contributing innovative ideas and solutions to business challenges.
- Shadow experienced professionals to gain insights into daily operations and industry best practices.
- Engage in training sessions and workshops to enhance skills relevant to the logistics field.
- Contribute actively to team meetings, discussions, and project presentations.

Qualifications

- Current enrollment in a Bachelor's or Master's degree program in Business Administration, Supply Chain Management, Logistics, Engineering, Marketing, Information Technology, or related fields.
- Strong analytical skills and the ability to interpret data effectively.
- Excellent communication, teamwork, and problem-solving abilities.
- Eagerness to learn, adaptability, and a proactive approach to tasks.
- Proficiency in Microsoft Office Suite (Excel, PowerPoint, Word) is preferred.
- Prior internship experience or relevant coursework is a plus.

Job Benefits

- Valuable hands-on experience in a dynamic and growing industry.
- Mentorship and guidance from experienced professionals.
- Networking opportunities within Purolator and the broader logistics community.
- Exposure to diverse projects and real-world challenges.
- Potential for continued growth and career opportunities within the company.
