Riot Internship Program 2025 / 2026 New Application

Description

Are you passionate about gaming and looking for an opportunity to break into the gaming industry? Riot Games is offering a dynamic internship program that provides aspiring professionals with a chance to gain valuable experience and contribute to the development of our games.

Responsibilities

1. **Collaboration:** Work closely with cross-functional teams, including game designers, developers, artists, and quality assurance testers, to support various aspects of game development.
2. **Research:** Conduct research on gaming trends, player behavior, and industry best practices to provide insights and recommendations for game improvement.
3. **Testing and Feedback:** Playtest our games, identify bugs, and provide feedback to help improve gameplay, balance, and overall user experience.
4. **Content Creation:** Contribute to the creation of content, including written materials, videos, and social media posts, to engage with the gaming community.
5. **Data Analysis:** Analyze in-game data and player feedback to generate actionable insights and contribute to data-driven decision-making processes.
6. **Learning and Development:** Participate in workshops, training sessions, and mentorship opportunities to enhance your skills and knowledge in the gaming industry.
7. **Project Support:** Assist in various game development projects, such as game events, marketing campaigns, and community engagement initiatives.

Qualifications

1. Enthusiasm for gaming and a deep understanding of Riot Games' titles.
2. Strong communication skills, both written and verbal.
3. Ability to work collaboratively in a fast-paced, creative environment.
4. Detail-oriented with a keen eye for identifying issues and suggesting improvements.
5. Eagerness to learn and adapt to new challenges.
6. Pursuing a degree in a relevant field (e.g., game design, computer science, marketing, communications) is a plus.

Job Benefits

1. **Compensation:** Provide a competitive stipend or hourly wage to compensate interns for their work during the internship.
2. **Hands-On Experience:** Offer the opportunity to work directly on projects related to game development, marketing, community engagement, or other areas of interest.
