Telus Internships 2025 / 2026 Latest Hiring

Description

Telus is a leading telecommunications company in Canada, committed to connecting Canadians with advanced technology and innovative solutions. Our mission is to empower people through communication, technology, and a dedication to community engagement. As part of our commitment to fostering talent and innovation, we offer a range of internships designed to provide valuable experience and insights into various aspects of our operations.

Telus Internships provide an exciting opportunity for students to gain hands-on experience in a dynamic and fast-paced environment. We offer internships across a range of departments, including Technology, Communications, Business, Marketing & Sales, Computer Science, Engineering, and Network.

Responsibilities

- Collaborate with team members to support ongoing projects and initiatives.
- Assist in research, analysis, and problem-solving activities.
- Contribute creative ideas and insights to drive innovation within the department.
- Participate in meetings, workshops, and training sessions to enhance skills and knowledge.
- Engage in networking opportunities with professionals across the organization.
- Complete assigned tasks and deliverables within specified deadlines.
- Adhere to company policies and procedures, maintaining confidentiality and professionalism at all times.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic background with a focus on telecommunications, technology, business, marketing, computer science, engineering, or related fields.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proactive attitude with a willingness to learn and take on new challenges.
- Proficiency in Microsoft Office suite and other relevant software applications.

Job Benefits

- Paid internship with competitive compensation.
- Valuable hands-on experience in a leading telecommunications company.
- Exposure to diverse projects and opportunities for skill development.
- Mentorship and guidance from experienced professionals.
- Networking opportunities with industry leaders and peers.
- Potential for future career opportunities within Telus.
